VASILIS ZOTIKAS

VR/AR DEVELOPER - WEB DEVELOPER - iOS DEVELOPER - PHYSICS STUDENT

About me

Currently a Virtual Reality Developer. Studied VR Development at Nackademin. Studied Physics at Hellenic Open University and Stockholm University. Studied Introductory Modern Physics at KTH. Owner of a Higher Vocational Education degree in Multimedia. Self-taught iOS Developer with 12+ months experience. I spent the first years of my career as a web designer/developer in numerous companies. I am an independent contractor ever since.

Motivation

I am an experienced VR/AR, iOS and Web Developer. I am a quick learner, very motivated and I have proven to be able to work independently and in a team. I am most comfortable working on several kinds of projects at the same time and to function as an all round employee within a company. I enjoy experimenting with new technologies and apply them in my work. I am an organized, honest, responsible hard working person.
